GENERAL RULES

All cooking teams must be 100% self-sufficient, whether cooking on-site or bringing cooked items for judging and selling to the public.

This includes tables, chairs, food items, serving utensils, paper goods, **signage that includes serving items**, charcoal, butane, a generator, etc. You are responsible for setup and cleanup.

Judging: this year, we will judge ribs and chicken wings (drums and/or flats). Ribs must be pork ribs! Wings can be fried, barbecued, or both. Ribs and wings must be sauced—be creative! Judges will determine 1st, 2nd, and 3rd place winners.

- Submission of cooked items to judges: **wings at 12 PM and ribs at 1 PM.**
- A minimum of 6 racks of pork ribs must be prepared, with 1 rack judged and 5 sold. 6 individual ribs turned in for judging.
- For wings, a minimum of 100 pieces needs to be prepared. 6 wings turned in for judging.
- Note: the more you prepare, the more tickets you will sell, which increases your chances of winning the "People's Choice" award, given to the team with the most tickets sold.

Selling: begins at **11:00 AM**

- Anything can be cooked and sold, but only ribs and wings are being judged.
- Tickets purchased on the premises will be used to buy food items, with a price of \$5 per serving for the public. Cooking teams will not need to have money or change.
- Food trays for serving will be provided by the committee. Trash bags and plastic utensils will also be provided.
